Electric-powered vehicles or vehicles equipped to use fuel other than gasoline, diesel, or flex-fuel (Hybrids are covered).		

VEHICLE QUALIFICATIONS

- For vehicles not under factory warranty, service contracts must be sold at time of purchase, not at a later date.
- Vehicles must meet the age and mileage restrictions of the plan.
- Only vehicles with at least 1 month and 1,000 miles of basic factory warranty remaining are eligible for the Special Plus Plan, regardless of when or where the vehicle was purchased.
- Commercial-use/1-Ton vehicles with mileage up to 125K at purchase are eligible for the Budget, PT, Base, Plus and Special Plus Plans.
- Any vehicle with True Mileage Unknown or Mileage Exempt must be rated for 100-125K miles. These vehicles are eligible only for 3-, 6- or 12-month PT Plans.
- Any vehicle that has a 4-inch lift and the 4-inch lift kit selected on the front of the contract may not have a tire size that exceeds 35 inches; OR any vehicle that has a 6-inch lift and the 6-inch lift kit selected on the front of the contract may not have a tire size exceeding 37 inches.
- See the Budget Plan, Premier Plan and Preferred Truck Plan rate cards for complete details. Deductible options, exclusions, and surcharges for these plans may vary.
